

CHAPTERS HEALTH® SYSTEM

GOOD SHEPHERD HOSPICE • LIFEPAATH HOSPICE
HPH HOSPICE • HPH HOME HEALTH • PALLIATIVE CARE

For more than 30 years, Chapters Health System has been committed to improving the lives of those affected by advancing age and illness. Anchored by three of Florida's legacy hospices—**Good Shepherd Hospice, HPH Hospice and LifePath Hospice**—Chapters Health also includes a medical staffing company, palliative care, pharmacy and home health services. Beyond the care it provides, Chapters Health produces more than \$350 million in additional economic activity across the eight counties served.

Accomplishments & Achievements

- Total of hospice patients served in 2015: 15,130
- Palliative care visits in 2015 : 6,733
- Charity care provided in 2015: \$2.6 million
- Volunteers in 2015 : 2,031
- Volunteer valuation in 2015 : \$3.3 million
- Bereavement contacts with families and community in 2015 : 21,429
- 8 inpatient units with 148 beds
- All three hospices offer open access services, where patients can continue interventional palliative therapies such as chemotherapy, radiation, cardiac infusions, total parenteral nutrition and blood transfusions.
- Chapters Health has hospices accredited by The Joint Commission and the National Institute for Jewish Hospice.
- “We Honor Veterans” partners at Levels 3 and 4
- LifePath Hospice offers a Fellowship in Hospice & Palliative Medicine with the University of South Florida and was selected to participate in the 2018 MCCM demonstration.
- Good Shepherd Hospice was awarded Hospice Honors by Deyta in 2015.
- HPH Home Health earned The Joint Commission Gold Seal of Approval.
