

# VNSNY Hospice and Palliative Care

## Providing comfort, relief, and peace of mind

For 37 years, VNSNY Hospice and Palliative Care has provided compassionate, expert care to individuals with advanced or life-limiting illness and to their families. Our goal is to ensure comfort, enhance quality of life, and preserve dignity. We are the largest hospice program in the New York metropolitan area, and the only hospice provider serving all five boroughs of NYC.
