

Serving Colusa, Sacramento, Solano, Sutter, and Yolo Counties.

Today I felt...
Compassion

- We are among the first established hospices in California, and have the **longest regional track record** as experts in caring for people with a life-limiting illness.
- Four of Yolo Hospice's key quality scores **exceed the State of California and national averages**.
- The most recent physician satisfaction survey shows that out of 160 of our referring physicians, **100% are satisfied** with the care Yolo Hospice provided to their patients.
- Yolo Hospice's bereavement program consistently scores among the **top in the nation**.
- **100% of Yolo Hospice's philanthropic support** is spent on charity care and uncompensated programming and support for patients and families.
